

ATTACHMENT NO. 24

APPROVED IN NCUTCD GENERAL SESSION ON JANUARY 20, 2006

**National Committee on Uniform Traffic Control Devices
TASK FORCE RECOMMENDATION**

Approved by NCUTCD Council January 20, 2006

TECHNICAL COMMITTEE : Regulatory/Warning Sign TC

TASK FORCE: FHWA 2006 New issues – Issue #22

DATE OF ACTION: 5-7-05 TASK FORCE; revised 5-15-05 by Task Force; approved 6-22-05 by RWSTC; Revised 7-31-05; Revised 1-18-2006 by RWSTC

TOPIC: Section 2B.17 Fines Higher (R2-6)

ORIGIN OF REQUEST: NPA R/W Sign issues - FHWA

DISCUSSION:

Problem statement: (FROM NPA)

Add R2-6a Fines Double R2-6b, Fines Triple R2-6c \$150 FINE.

Response:

The text in Section 2B.17 option paragraph already includes these three signs as an alternate legend. We will add the code designations to the MUTCD. Due to the fact that it is impossible to anticipate all of the possible alternate legends, the RWSTC chose to simplify the language and allow many alternate legends, instead of adding three new sign designations.

It is recommended that The FHWA Standard Highway Signs manual should add the code to the detail of these 3 signs.

RECOMMENDED WORDING.

Proposed change from Sponsor proposal – RWSTC 1-18-06 (highlighted in yellow):

Change **Section 2B.17 FINES HIGHER PLAQUE (R2-6) as follows**

Option:

The legend FINES HIGHER may be replaced by multiple values another legend such as FINES DOUBLE or ~~FINES TRIPLE~~ or by a specific value such as \$XXX150 FINE.
