Chairman’s Report of Executive Board Actions

NCUTCD Chair, Lee Billingsley reported that the Executive Board had met last night and took the following actions:

- Approved the end of FY06 Financial Report presented by the Treasurer, John Logan.
- Heard a report of the Edit Committee which will be presented to the Council later in this meeting.
- Heard a report of the Membership Development Committee by chair Jon Upchurch. Jon had presented a new member orientation yesterday attended by 15 new members. It was decided that the NCUTCD brochure, which we developed earlier by the committee, will be put on the website.

- The Financial Oversight Committee reported that they had met and reviewed the financial records of NCUTCD and found all records in order.
- Approved the proposed bylaws change that will be considered by the Council later in this meeting.
- Approved the appointment of ten new technical committee members. Billingsley then introduced the new members.
- Based upon the financial report, agreed to reduce the registration fee for the January 2008 meeting.

FHWA Report

Hari Kalla gave a presentation on SAFTEA-LU, the Final Rule on worker visibility published Nov. 24, 2006 and the upcoming Notice of Proposed Rulemaking (NPA) on the new MUTCD. He noted that the NPA will be published in early summer of 2007 with a 6 month comment period and that this meeting is the last opportunity for NCUTCD to submit recommendations before the NPA. The Final Rule is expected in early 2009.

Edit Committee Report

Edit committee chair, Tom Hicks, reported that the Edit Committee had met yesterday with all members and eight guests present. They are working on the following items:
- Interim Approvals – Will propose wording for Section 1A.10 which makes clearer the technical requirements for interim approvals.
- TC Devices on Private Property – The committee supports the Final Rule Vo.71, No. 240 wherein “roadway open to public travel” and “substantial conformance” were defined, but see some additional issues, such as gated communities, rail crossings and others that need to be addressed.
- The committee recommends that Definition #59 be amended to include “facilities.”
- Traffic Control Device Definition – Each technical committee is being asked to review their parts of the MUTCD to identify those items/devices they consider to be non-traffic control devices.
- The Edit committee has developed draft guidelines for technical committee presentations which will be distributed for review by the technical committees.
- The Edit Committee is recommending the “FHWA Roundabout Design Guide” be added to Part 1, Section 1A.11 covering related publications.

Proposed Amendment to NCUTCD Bylaws

Moved by Kobetsky, seconded by Oliver to approve the proposed amendment to the NCUTCD bylaws, Section 6.3, which had been sent the required 30 days in advance to all voting members and sponsors (Attachment No.1).

There was much discussion on this proposed amendment with several members speaking for and against it.

Moved by McKee, seconded by Keaton that the vote on the motion be by written ballot. Motion passed 21-11-4.
Moved by Logan, seconded by Bell to table the original motion. Motion failed 8-26-3.

The written ballot was taken and the original motion was defeated 15-23-0.

Billingsley reported that he will reconstitute the task force with the addition of Gerry Donaldson, to again review the process for admitting new sponsors and report with recommendations at the next meeting.
