**Proposed Change in Bylaws Regarding Honorary Members**

**Approved by NCUTCD Council June 26, 2014**

- 4.5 Honorary Members.** Individuals who have contributed to the National Committee in an outstanding manner may be designated as Honorary Members by the Executive Board. Generally, this membership designation is given to individuals who have served in a leadership role as Members, Associate Members or Technical Members over a period of at least ~~fifteen (15)~~ **twenty (20)** years. The Executive Board may set qualifications for the benefits accorded to, and the process for designation of Honorary Members. Honorary Members serve as nonvoting members of the Council **and may contribute to the discussion and debate, but may not make or second motions. Honorary Members no longer participating in the National Committee activities may be placed in an Emeritus status recognizing their years of service.**

This amendment was recommended by the Honorary Member Committee which also recommended that the Operating Procedures be changed to include a special category of Emeritus Honorary Member to continue recognition of those Honorary Members who are no longer able to participate in the NCUTCD. That change in the Operating Procedures was approved by the Executive Board at the January 2014 meeting.

This proposed amendment to the bylaws will be voted on by the NCUTCD Council at the June 2014 meeting.
