Registration Categories

- **Private Sector:** This encompasses all attendees who do not qualify for the "government" or "self-employed or retiree" rate. This includes employees of consulting firms, vendors, manufacturers, railroads, associations, and other companies, firms, or organizations.
- **Government:** This encompasses attendees currently employed by a government agency or public university, or serving as an in-house consultant in a government agency. This category is determined by current employment status. Meeting the criteria in the NCUTCD Operating Procedures for "government member" does not authorize the use of this rate if the person is not currently employed by a government agency or public university.
- **Self-Employed or Retiree:** This encompasses attendees who have retired from full-time employment (either public or private) or are a sole proprietor of a business or firm. This category also includes employees or contractors working for a 501(c)(3)-eligible nonprofit with five or fewer total paid employees or contractors.
